

## Temari Battle System: Quick Facts

Item	Current copy
<b>Product name</b>	Temari Battle System
<b>Company</b>	Temari Battle Systems Inc.
<b>Category</b>	Connected robot battle game / physical-digital play system
<b>Core idea</b>	Players physically hunt digital Legends, battle them in AR, and load them into rebuildable Mechs for real-world robot combat.
<b>Player role</b>	Players are "Battlers" who collect, command, battle, trade, expand, and climb the ranks of a global league.
<b>Launch core</b>	Starter Kit: Battle Unit / Starter Mech plus Temari app access.
<b>Starter Kit includes</b>	Battle Unit / Starter Mech, Temari app access, Legend hunting and capture, AR arena battles, direct physical robot battles, 1-2 player local play, and basic League access.
<b>Primary play loop</b>	Hunt > Capture > Battle, with deeper progression through customization, trading, expansion, and League/rank play.
<b>App role</b>	Hunt, capture, manage, battle, and progress Legends.
<b>Physical hardware role</b>	The Battle Unit / Starter Mech brings captured Legends into real-world robot combat.
<b>AR mode</b>	Digital Legends battle in AR arenas through the app; no Tower required.
<b>Physical battle mode</b>	Legends can be loaded into real Mechs for direct robot combat; no Tower required.
<b>Tower mode</b>	The Temari Tower enables tracked mixed-reality arena play, advanced effects, autonomy, remote play potential, and premium events.
<b>Additional modes / unlocks</b>	Expansion Mechs, Sport Kit / Robo Hockey, Tower mixed reality, Charge Case, rankings, faction competition, creator battles, roadshows, and premium formats.
<b>World / IP</b>	Legends, Mechs, factions, Co-pilots, comics, story universe, League, and team bonuses.
<b>Factions</b>	Beijing Dragons, Osaka Ghosts, Berlin Behemoths, Cali Dinos, and Salisbury Druids.
<b>Proof / development status</b>	Functional Battle Unit, functional Temari Tower, 20+ Mechs developed, app-controlled physical battle prototype, AR arena visuals in alpha, Tower-enabled autonomy/mixed-reality effects, League backend stress-tested with 60K concurrent bots, comics/concept art/story bible, and multiple successful user tests.
<b>Current status</b>	Prelaunch; Founders List open.
<b>Cost status</b>	Pricing has not been announced; joining the Founders List does not charge the user.
<b>Launch regions</b>	Launch regions will be announced before paid reservations open.
<b>Platforms</b>	Tablet and Mobile. iOS and Android. Iphone X and Pixel 6a base specs

<b>Age guidance</b>	10+ target/provisional guidance; final age guidance will be confirmed through certification before launch.
<b>Safety positioning</b>	Designed for robust physical use, impact-force limits, reduced pinch-point risk, replaceable high-wear parts, positive online play, and no direct chat in the app.
<b>Certification path</b>	FCC, CPSIA, ASTM F963, CE, RED, EN 71, EN 62115, and REACH identified on the current site.
<b>Press assets</b>	Current press kit includes usage rights and downloadable assets for Battle Unit / Starter Mech, Hunter, Mech vessels, Legends, factions, comic covers, user testing, Battle Unit, Temari Tower, and studio/team imagery.
