*If there is any doubt about whether a particular item is acceptable parents should check with the school before purchasing. The school reserves the right to ban certain unforeseen items / hairstyles that may come in as fads or fashion items and therefore are not specifically stated in our uniform code. Students who attend school with incorrect uniform/hairstyles may be sent home or the item confiscated.*

*Failure by any student to conform to the College Uniform List will normally entail a period of internal exclusion until the situation is rectified. Request to vary any aspect of this Policy to meet the needs of individual students e.g. for medical, religious or genuine family traditions based on cultural and social reasons, will be carefully considered on a case-by-case basis. However, in adopting this policy, the Governors have taken steps to ensure that it is fair and reasonable, is non-discriminatory and acceptable to the majority. It would not be practical or productive to vary the rules except in the most compelling of circumstances. It is worth noting that branded items, which must be purchased, are the blazer, and the PE items (bottoms, t-shirt and zip up jacket). Second-hand uniform may be obtained on request. We encourage school leavers to donate old uniform for this purpose.*
