Apprenticeship Requirements

EARN WHILE YOU LEARN

Our apprenticeship program provides the opportunity to earn a living family wage through On-The-Job Training (or OJT) while learning the in-demand skills of the trade through Related Supplemental Instruction (or RSI). Completing the OJT and RSI requirements will help you move up the wage scale and earn MORE money!

OJT ON-THE-JOB TRAINING

For each period you move up, you will work 700 hours of On-The-Job Training (OJT) alongside your classroom instruction. By the end of the program you will have collected 4,200 hours of work!
