

# Manor House Collection

Zendoors' Manor House Collection gives your home a truly unique look and feel with a large combination of window and door styles. These doors convey the richness of exquisite handmade carpentry, yet offer a time proven resistance to weather over conventional garage doors.

## Features

### Composite Construction

EPS insulation and exterior-grade composite wood deliver thermal performance, while steel and aluminum reinforcements ensure lasting strength.

### Low Maintenance & Repairable

Avoids costly replacements. Simple fixes like touch-ups or changing a rail or stile keep service costs low.

### Built for Tough Job Sites

Resists warping, rotting, scratching, and denting. Ideal for construction sites and high-traffic use.

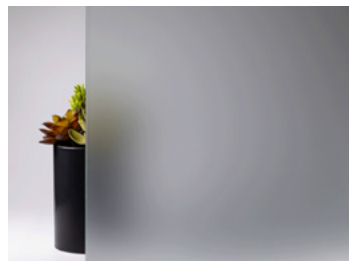

### Entry-Level Upgrade Path

Perfect for first-time homeowners, with basic insulation and design that set the stage for future upgrades.

## Glass Option All lites produced with 3mm tempered single pane glass

Clear

Acid Etched

## Construction

Canvas Backed  
Polystyrene (R-7.50)

Aluminum Backed  
Polystyrene (R-9.50)
