# ADEPT MEDICAL STORAGE SYSTEM

AM0001-1 • AM0001-2

Issue Date: 12/2025

## Product Brochure

### A compact, wall-mounted storage solution for the Adept Medical range

The Adept Medical Storage System is a custom-designed, low-profile wall solution that keeps your Adept Medical products organised, visible and ready for use. Mount equipment in-lab for immediate access or store it out of sight to keep your workspace clear and streamlined.

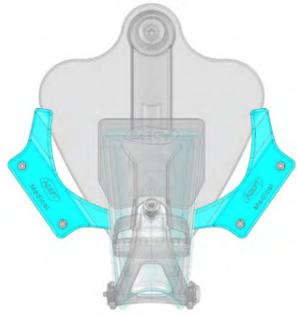

Built from a robust, lightweight plastic, each bracket can support loads of up to 10 kgs. It is easy to clean and simple to install using standard wall fixings. The bracket system frees up floorspace, reduces tripping hazards, keeps products secure, and supports faster setup.

- ▶ Quick and easy to install
- ▶ Fits most wall-spaces
- ▶ Holds up to 10 kgs
- ▶ Easy to clean
