What GSL Customers Have to Say

“

The club has had a record year and I have no doubt that GSL has helped play a major role in results. 550 members joined the GSL program in the first weeks alone; we have had many more join since. Not only do they have a cash value for points but also the process of converting their points is made simple.”

Juniors Kingsford

“

We have seen a 30 percent increase in gaming revenue since we launched with GSL. The GSL team is dedicated to making sure we succeed by providing us with ongoing customer services.”
