THE SMARTER WAY TO MANAGE CASH.
THE FASTER WAY TO BANK IT.

NX Deposit is a smart, secure cash deposit solution, instantly validating and securing cash at the point of deposit, delivering real-time visibility and control from site level to head office.

Secure Cash Deposits
Cash is deposited into the unit, where it is instantly validated, and securely stored, removing the need for manual counting.

Integrated Banking
Integrated banking streamlines processing, giving you same-day access to funds in your account whilst reducing bank runs and CIT costs.

Transparent Data
Each deposit is automatically recorded and made visible in real-time through onsite or cloud-based reporting.

Reduce Handling & Risk
Fewer touchpoints reduce the risk of theft and loss, plus we handle the insurance - giving you an extra layer of cash security.

Manage Cash End-to-End
NX Deposit delivers a fully connected cash solution - from deposit and validation through to reporting, reconciliation, Cash in Transit and banking.
