

Climate 200 Board vacancy

What we are looking for

We are looking for an additional director to join Climate 200's board. This is an opportunity to apply your governance experience to support Climate 200's vision for Australian governments to take a science-based response to the climate crisis, and pursue world leading integrity and gender equity policies.

Desirable skills and experiences:

- Management accounts
- Budget analysis
- Risk management
- Corporate governance
- Political strategy and philanthropy
- 'Investor' relationships and marketing
- AEC/ASX/ASIC reporting and/or audits
- Insurance
- Industrial relations, WH&S, HR and employment law

This is an unpaid role, but expenses will be covered.

Climate 200 values diversity and encourages applications from people of all backgrounds.

If this sounds like an opportunity you are interested in, please send a brief introductory email to jobs@climate200.com.au and we will be in touch.
