COMMUNITY PARTNERS

Social Services
Families received food and essential supplies.

Fostering Angel's
Families received food and essential supplies.

Sarah's House of Hope
Families received food and essential supplies.

THE NEED WAS GREAT

In the aftermath of the hurricane, many families in our community were without power, clean water, and access to essential supplies. This initiative provided immediate relief to **448 families**, including children, seniors, and vulnerable households across our community.

“

When disaster strikes, community shows up. We are grateful for every sponsor, volunteer, and partner who helped us meet urgent needs and remind families they are not alone.

(195 DETAILED RESPONSES)

ADDITIONAL NEEDS & SUPPLY GAPS

DOCUMENTED DURING THE RELIEF RESPONSE

Families also requested flashlights, batteries, washing powder, disinfectant spray, cleaning products, and disposable washcloths. These items were unavailable or insufficient, and bottled water ran out early because of exceptionally high demand.

CHILDREN IN RESPONDING

HOUSEHOLDS (195 RESPONSES)

372 children reported

REPORTING TRANSPARENCY

250 online registrations reported;
195 detailed forms available for analysis.
448 total families served includes
direct and partner-agency distribution.
Item charts reflect recorded responses.

LOOKING AHEAD

This disaster relief effort highlighted the urgent need for continued investment in community preparedness, emergency supplies, and partnerships to ensure we can respond even faster and reach more families in future crises.
