

The Secret Garden of Cologne

Welcome to the Bar Botanik – our little paradise with the most beautiful view of the city! Here, on the 11th floor of the historic water tower, you'll find more than just a bar.

For our journey into the world of botany, we've curated an exceptional selection of signature drinks inspired by the diverse botanicals that Mother Nature generously provides.

Our team is not just a host but a companion on your journey through the world of flavors. We're always ready to serve you not only delicious drinks but a true experience.

Our 360-degree rooftop terrace is the hotspot for extraordinary experiences. Enjoy unique sunsets, exquisite cocktails, and the company of your loved ones to the chill beats of our live DJs!

We're delighted to have you with us! Cheers!

Bar Manager Ehsan Baues
