

## VEHICLE PHOTO SUBMISSION GUIDE

Thank you for consigning your vehicle with EG Auctions. To advertise your vehicle properly and attract serious buyers, we need clear photos of it. These photos will be used on EGAuctions.com, on our social media pages, and in both printed and online advertisements. Good photos help your vehicle stand out. Your main photo is especially important – it may be used in printed brochures, signage, or event materials.

### PHOTO REQUIREMENTS | WHAT TO SEND

Please send 8 to 12 clear photos of your vehicle.

Include the following:

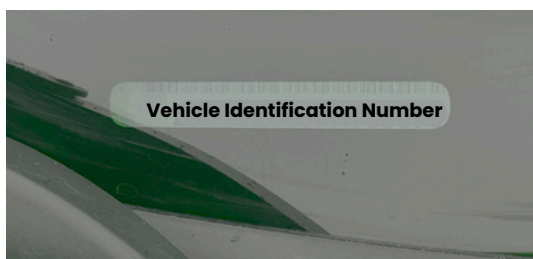

- Front of vehicle
- Back of vehicle
- Driver's side
- Passenger side
- Engine
- Interior
- Odometer (mileage reading)
- VIN plate (usually on the dashboard or inside driver's door)
- Vehicle Registration – include both front and back

You must include:

- A clear main photo showing the full vehicle
- A clear photo of the VIN plate
- A photo of the vehicle registration

\*These are required for marketing and legal documentation.

## TIPS FOR TAKING PHOTOS

- Use your Smartphone, iPhone or Android is great!
- Take photos outside in daylight for best results
- Stand back far enough to capture the whole vehicle
- Make sure the car is clean and presentable
- Hold the camera steady and try to avoid shadows or glare
- Take horizontal (sideways) photos rather than vertical ones

## SENDING YOUR PHOTOS

You can email your photos to us directly.

Email to: ✉ glenda@egauctions.com

In your email, include:

- Your name
- The event name or location
- Your vehicle's year, make, and model

If your files are too large to send all at once, feel free to send them in separate emails – or let us know and we'll help you with another method.
