GAME STUDIO: DESIGN, BUILD, MASTER!

3rd - 5th

It's time for your student to take their programming and design skills to the next level.

In the renowned GameMaker Studio Game Engine, students will get a head start on mastering the object-oriented programming skills used by today's game studios, and even create assets for their games like a pro designer. Students will not only bring home their amazing games and creations, but skills that will last a lifetime! No prior coding experience required.
