

Where kids build, code, create, & grow!

EXPLORE STEM WITH BRAINY BYTES

K - 2ND Adventures in STEAM

Explore the world of STEAM as we delve into science, technology, engineering, art and math with hands-on projects focused on creativity and ingenuity.

From science experiments and engineering builds to salty art and Archimedes' bathtub...we cover it all in this class. Time to think like a scientist and see just how much STEAM is a part of our everyday lives.
