

Where kids build, code, create, & grow!

EXPLORE STEM WITH BRAINY BYTES

3RD - 5TH Graphic Design

Art and technology collide in this fun and imaginative course.

Emphasizing real-world learning, after you have been introduced to the tools for the job you will step into the life of a graphic designer.

Your task will be to create the projects requested by your clients and then present your creations for consideration. Projects may include ads, posters, promotional items, gifts and more.

Put your creativity to work in this artistic and collaborative course.
