

Where kids build, code, create, & grow!

EXPLORE STEM WITH BRAINY BYTES

K - 2ND Jr Ozobotics

Taking robotics in a whole new direction! One robot.... 2 ways to program and explore!

Your K-2nd grader will have a blast using EVO's color-coding and drag-n-drop programming to complete fun challenges each week.

We combine art and technology to teach real-life skills such as problem-solving, collaboration, and ingenuity.
