

HAVE CANCER? HAVE KIDS? Free support is here.

A cancer diagnosis affects the whole family—especially kids.

That's why we support children ages 6–18 through and beyond a parent's cancer with free, fun-filled, creative programs and a lasting community.

For 25 years, Kesem has been the leading national organization serving this unique population, with over 100 chapters nationwide and 90,000+ children reached. And with 99% of parents recommending our programs, families trust Kesem to be there when they need it most.

No matter your children's ages, where you are in the country, or what stage of diagnosis or treatment you're facing, Kesem offers a range of free programs—both in-person and virtual—to support your family's journey through and beyond a parent's cancer.

Camp Kesem

Kesem's flagship program is a free, overnight summer camp. **Camp Kesem** features all the fun of traditional summer camp plus signature reflection touchpoints, creating memories and community that will last your child a lifetime.

Friends + Family Days

Throughout the year, Kesem brings families together at **Friends + Family Days**. Held at community venues, these events offer activities for all ages and opportunities for both kids and adults to connect with others who understand their experiences.

Club Kesem

No matter where you live, **Club Kesem** offers monthly virtual meet-ups where kids build friendships and support. Club Kesem activities are fun, inclusive, and designed for all ages.

Parent Club

Parents join Kesem and our partners at Wonders & Worries virtually for **Parent Club**. Led by Child Life Specialists, these sessions provide expert guidance, meaningful conversations, and a supportive space for navigating parenting through cancer.

Kesem Together

Children need space for joy and connection while their parents receive cancer support or treatment. Designed to meet families where they are, **Kesem Together** programs take place at conferences, cancer centers, schools, and through partnerships with other support organizations.

Get Started Today!

Kesem's programs are always **100% free** for families.
