Proposed Wairarapa Combined District Plan: Decisions on Designations by Chorus New Zealand Limited

Chorus New Zealand Limited (Chorus) received the recommendations of the Hearing Commissioners on its proposed new designations on 8 October 2025.

Chorus rolled over 16 existing designations in the Proposed Plan without modification. These designations are for the purpose of *Telecommunication and Radio communication and Ancillary Purposes*.

In accordance with s172 of the Resource Management Act 1991, Chorus **accepts in full** the recommendations of the Councils to confirm these designations in the Proposed Wairarapa Combined District Plan.

Reasons for decisions

1. The designations are reasonably necessary for achieving the objectives of the Requiring Authority.
2. Adequate consideration has been given to alternative sites, routes, or methods of achieving the project.
3. The designations are in accordance with Part 2 of the Resource Management Act 1991.

Should you have any questions with respect to this decision please contact the undersigned.

Yours sincerely
