

Water conservation orders

Regional policy statements, regional plans, and district plans cannot be inconsistent with the provisions of a water conservation order. A water conservation order can prohibit or restrict a regional council issuing new water and discharge permits, although it cannot affect existing permits. The following table provides an overview of whether any relevant review/s of the District Plan have been undertaken in relation to relevant water conservation orders.

National Water Conservation (Lake Wairarapa) Order 1989	The District Plan has been reviewed (October 2023)
