Prototyping, Figma, Notion, Airtable, User Research, Card Sorting, Organizing and Presenting Data, Photoshop, Illustrator

Experience

UXPALA / UX Designer - Volunteer

September 2023, Current

- Learning soft skills, such as organizing notes to be easy to find, communicating ideas, and how to properly share findings
- Helping redesign the main UXPALA site, and finding workarounds with useful widgets
- Creating designs and discussing them with the group

Goof Sports/ UX Designer

September 2022- Now Freelance Job

- Understood pain points users face and create solutions within the design.
- Constant communication with the app owner to bring his ideas to life while focusing on the user.
- Brought ideas to the group when it came to the user interface.

Game Over Studios/ UX Designer

October 2021- November 2021, 2 ½ Week Bootcamp Project

- Conducted user interviews to gather the necessary data to find pain points users go through
 - Created a user flow, and affinity map from the data collected
 - Created a mid-fidelity prototype and did 4 usability testing followed by second iterations to my prototype.
-

Education

General Assembly/ UX Designer Certification

August 2021- November 2021

Sherman Oaks CES/ High School Diploma

September 2010- July 2016
