

STARFISH
SPECIALTY INSURANCE

STAFFprotect+

A comprehensive package solution that moves us one step closer to a true one-stop-shop platform. STAFFprotect+ delivers broad, market-leading protection in a streamlined policy that's easier to navigate, with a single declarations page and approximately half the paperwork of traditional programs. The flexibility of this product allows us to provide thoughtful, client-focused solutions - not one-size-fits-all answers.

Coverage Highlights

1

Streamlined Policy Design

One consolidated declarations page and approximately 50% fewer policy pages make STAFFprotect+ easier to review, understand, and administer.

2

Flexible, Solutions-Oriented Policy Platform

Practical underwriting flexibility addresses unique staffing and PEO risks that standard markets often cannot accommodate.

3

Enhanced Contractual Risk Protection

Automatic Additional Insured, contractual Waiver of Subrogation, and broadened insured provisions help meet common staffing-industry requirements.

4

Staffing-Specific Coverage Enhancements

Broadened employee definitions, property damage arising from staffing services, and tailored protection for temporary, contract, and PEO worksite employees.

5

Professional Liability Built Around Real Staffing Operations

Definitions expressly contemplate PEO, ASO, managed service providers, permanent placement, workforce management, and staffing operations.

Why Write with us?

Built exclusively for staffing firms and PEOs - not adapted from a generic commercial package. Specialized underwriting expertise, enhanced policy language, and a flexible policy platform support practical solutions for complex risks, backed by responsive service and a streamlined policy that's easy to quote, place, and understand.
