CHURCH AND COMMUNITY UPCOMING EVENTS

Flourishing Together - How can churches move beyond charity toward community empowerment? How can we shift from doing ministry *for* people to doing ministry *with* people? This fall, Diaconal Ministries Canada invites you to explore these questions in a transformative learning journey. The *Flourishing Together* Cohort—starting September 10, 2025—is designed for deacons, church leaders, and volunteers who want to rethink ministry and benevolence through the lens of Asset-Based Community Development (ABCD). Over five engaging sessions on Wednesday evenings via Zoom, participants will gain practical tools and fresh perspectives to help their churches better connect with and serve their communities. Please contact Pastor Kevin if you have any questions or are interested in joining this exciting opportunity.

Fall Town Hall - Council is looking to you, the congregation we serve, to better understand what your hopes and vision for Living Hope Church are, going into the next 5 years. We would like to come together in a unified vision for sharing the Gospel in Medicine Hat, discipling and mentoring one another, and serving our community. We have set a date of November 16th, after the service where we can come together in fellowship, and share with each other what those hopes and vision are. More details to come in the coming weeks.
