We're Looking for a Social Media Coordinator! Living Hope Church is seeking a dedicated and creative individual to join our team as a Social Media Coordinator. This is a part-time position vital to helping us share our message both within our church family and with the wider community.

The ideal candidate will be responsible for managing our online presence, including:

- Develop and implement a weekly content calendar for all social media platforms (e.g., Facebook, Instagram, YouTube).
- Create compelling and visually appealing content, including graphics, short-form videos, photos, and written posts.
- Highlight weekly church services, sermon series, and special events.
- Promote church programs such as Bible studies, youth group, young adults, Gems, Cadets, children's ministry, and volunteer opportunities.

This role is a wonderful opportunity to use your skills to serve our church and help us grow.

For more information, please contact the pastor or church office.

Fall Town Hall - Council is looking to you, the congregation we serve, to better understand what your hopes and vision for Living Hope Church are, going into the next 5 years. We would like to come together in a unified vision for sharing the Gospel in Medicine Hat, discipling and mentoring one another, and serving our community. We have set a date of November 16th, after the service where we can come together in fellowship, and share with each other what those hopes and vision are. More details to come in the coming weeks.
