Summary

Hey!

You are looking for someone that can help you to grow your
business. Yes, you are in the right place. Basically, I am a
Professional in B2B LinkedIn Lead Generation, Finding Contact
Person Emails, Lead Generation, Youtube Research, Web Scraping,
Data Mining, Email Scraper, and Market Research.

I have worked with High Profile Clients/Organizations in my career,
including the following to illustrate some of them:
Mytexty
Evolve Metrics
Copy For Coaches
10K Advertising, LLC
Cornell Design Group

Extensive Experience as a B2B Lead Generation, Linkedin Lead
Generation, and Virtual Assistance. Mostly I do complex Lead
generation work that's why I have a vast variety of techniques and
tools. I have solved numerous client problems to grow and excel
their business to the Next Level.

Expert Level ability with Data Extraction, Email finding from LinkedIn,
Finding New Clients, Web Scraping, and Data Collection.

Looking forward to hearing from you
Regards
- Sarfraz

2X Lead Managment
Founder & Managing Director
August 2020 - Present (5 years 4 months)
Lahore, Punjab, Pakistan

Extensive Experience as a B2B Lead Generation, Linkedin Lead Generation,
and Virtual Assistance. Mostly I do complex Lead generation work that's why
I have a vast variety of techniques and tools. I have solved numerous of client
problems to grow and excel their business to the Next Level.

Big Time Studios
Lead Generation ,Web Researcher, Data Scraping & Enrichment Expert
November 2021 - May 2025 (3 years 7 months)
Lahore, Punjab, Pakistan

Before the Bigtime, I work for small startup Texty.com, an early community
tool that helped creators earn directly from their audiences. Texty.com is not a
major successes, but taught me so much.

I work under Michael and Ryan, as a lead Generation, Web Research & Data
Scraping Expert.
This company gives me so flexibility in term of work, piece of mind and carrier
growth.
