WORK & LEADERSHIP EXPERIENCE

FTI Consulting

Technology Dispute Advisory Intern

New York, NY

May 2025 – Aug 2025

- Conducted in-depth review and analysis of 4,000+ documents to support expert report drafting, ensuring quality control.
- Utilized CourtLink to identify 50+ potential business leads, supporting team efforts to expand contract opportunities.
- Implemented a Microsoft Teams integrated tracking form to monitor project priorities, deadlines, and resource allocation.
- Created a Technology Research Reference Sheet to standardize research and accelerate onboarding for new team members.
- Collaborated across teams to develop an urgent source reference sheet, streamlining trial prep for the case expert.
- Presented to upper management on AI use cases in ERP implementations and its impact on entry-level jobs.

New Jersey Turnpike Authority

Finance and Analytics Intern

Woodbridge, NJ

May 2024 – August 2024

- Led a team of interns in proposing an \$8b project to optimize snow removal on the turnpike roadways.
- Applied analytics to traffic data, uncovering insights and operational adjustments for improved winter traffic management.
- Presented research to executives, recommending alternative future snow removal strategies for the Turnpike Authority.
- Rotated through treasury, financial analysis, FP&A, and traffic & revenue analytics to get a full department overview.
- Worked with Treasury and 3rd party brokerage firm to identify bond investment target in adherence to investment criteria.
- Enhanced the FP&A dashboard with interactive slicers to enable deeper analysis and comprehensive insights.

Domungym (Fitness Startup)

Finance Research Intern

Olympia, WA

July 2023- October 2023

- Identified prospective industry partners by conducting research on a diverse range of over 100 venture capitalist firms.
- Analyzed the potential for partnership match based on the venture capital firm's investment criteria and industry expertise.
- Created a Shortlist Report ranking partners by criteria such as investment success, location, and funding availability.
- Facilitated potential partnerships and fundraising opportunities by providing strategic insights to engage top candidates.

Toloba Youth Organization

Treasurer

East Brunswick, NJ

May 2022 - Present

- Collaborating with fellow leadership team members to organize sports events and effectively coordinating efforts.
- Coordinated leadership teams to plan events, achieving 20% higher participation and revenue than prior years.
- Developing and constantly monitoring \$25K annual budgets for fundraising events, maintaining accurate financial records.
- Utilizing accounting skills to track revenue and costs, providing financial data that supports informed decision-making

North Brunswick Recreation

Swim Instructor, Supervisor

North Brunswick, NJ

October 2021 – Present

- Led a team of 5 instructors, leveraging everyone's strengths to develop and implement effective lesson plans.
- Taught 50+ students of all ages, skill levels, and diverse disabilities to swim and develop a positive relationship with water.
- Created an end-of-session report system to improve communication between supervisors across different lesson days.
- Provided individualized constructive feedback to students and their parents, offering guidance for future improvement.
