

## The Vegetarian

### 채식주의자

One woman's quiet refusal unravels the whole world. In this immersive physical theatre experience inspired by Booker winning prize winning novel *The Vegetarian*, bodies blur with branches, desire fractures into colour, and an abandoned abattoir becomes a gallery filled with living canvases.

Witness a silent metamorphosis up close as Yeong-hye escapes the human shape imposed upon her by people who could never begin to understand her, choosing, at last, a freedom all her own.
