DON'T WAIT. FUNDING IS LIMITED.

Funding is available through a partnership between the Medina County Health Department and the Medina County Sanitary Engineer's Office.

*Eligibility and level of assistance are based on the Federal Poverty Guidelines set by the U.S. Department of Health and Human Services.

Applicants will complete the Water Pollution Control Loan Fund application. Funding is a principle forgiveness loan, meaning it does not need to be paid back.

Services are partially funded by your local health levy.
This institution is an equal opportunity provider.
