

Traffic Data Sources & Credits

The Services may incorporate Annual Average Daily Traffic (AADT) data provided by the official transportation agencies of some or all of the 50 U.S. states. These agencies serve as the authoritative sources for roadway traffic volume information within their respective jurisdictions. AADT data were used exclusively for validation purposes.

U.S. State Departments of Transportation (AADT Data Providers)

State	Official Agency Name	Abbreviation
Alabama	Alabama Department of Transportation	ALDOT
Alaska	Alaska Department of Transportation & Public Facilities	DOT&PF
Arizona	Arizona Department of Transportation	ADOT
Arkansas	Arkansas Department of Transportation	ARDOT
