## Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
M.Des	Indian Institute of Technology, Guwahati	8.31 (Current)	2020 - Present
B.Arch	School of Planning & Architecture, Bhopal	6.28	2014 - 2019
Senior secondary	CBSE board	63.8%	2012
Secondary	CBSE board	9.0	2010

## Experience

- Architect Trainee at 'Hunnarshala Foundation'** *January - April 2018*  
Analyzed app usage statistics to recommend items based on user's preference.
- Architect Trainee at 'Continuity Architects'** *May - June 2018*  
Worked on heritage building restoration project as a part of CSR for Emami Group, Kolkata, West Bengal.

## Projects

- Unified dashboard, navigation, and infotainment interface for two-wheeler electric vehicles**  
*Project Mentor: Prof. Abhishek Shrivastava, Dept. of Design, IIT Guwahati Jan - April 2021*  
*Link: [bit.ly/3ySU0QV](https://bit.ly/3ySU0QV)*  
Creating a secondary interface that can complement the lack-luster dashboards present in current two-wheeler EVs with modern smart features like navigation and infotainment leveraging the sensors already present in the rider's smartphone.

## Technical skills

- General design tools:** Adobe Photoshop, Adobe Lightroom, Adobe Illustrator, Adobe InDesign, Adobe Dimension, Affinity Designer, Affinity Photo, Affinity Publisher
  - UI/UX design tools:** Adobe XD, Figma, InVision
  - No-Code tools:** Editor X, Anima, WordPress, Webflow \*, Bravo Studio \*, Framer \*
  - 3D-Modeling tools:** SketchUp, Vectary, Spline
  - Architectural design tools:** Autodesk AutoCAD, Autodesk Revit
  - Video editing tools:** Adobe Premiere Pro \*, Adobe After Effects \*
- \* Elementary proficiency*

## Positions of Responsibility

- General Secretary, Student Council (2018-19) of School of Planning & Architecture, Bhopal

## Extracurriculars

- Design System for User Interfaces workshop :** Attended a 3-day workshop on design systems for user interfaces held by AppDynamics during Ishanya 2021 - The Annual Design Show by the Dept. of Design, IIT Guwahati.
- Product Management workshop:** Attended a workshop on Product Management held over 4 weekends during Techniche, the annual Techno-Management festival of IIT, Guwahati.
- UI/UX workshop:** Attended a workshop on UI and UX held over 4 weekends during Techniche, the annual Techno-Management festival of IIT, Guwahati.

## Key courses taken

- Visual Design: Principles and Applications
- Interaction Design
- Introduction to Service Design \*
- Ergonomics
- Creativity and Innovation \*
- Usability Engineering \*

*\* To be completed in Nov 2021*
