WHAT'S UP SOVEREIGN VILLAGE!

Fall is on the way and summer is coming to a close....but we are soaking up our time fishing, swimming, going for long walks and enjoying the changing seasons. There are many reasons to make a move to Sovereign Village but what it boils down to is people, safety and support (when you need it most).

Here neighbors really look out for one another, friends sit on the front porch and grandkids come to play! Our residents agree--the best time to make a move is BEFORE winter comes!!!

Come and see what we have available to fit your needs and wants---there is everything from cozy apartment living steps away from amenities and dining to expansive villas with attached garages, private sunrooms and luxury living. We offer flexible timelines, experienced senior living staff members and nursing/physician services within our community. Independent Living at Sovereign Village means living on your terms with help available when you need it.

Your forever home is calling!!!
