

# 2026 Online Benefit Auction

Bidding will be open from 8:00 am June 5 through 8:00 pm June 18.

The 2026 Benefit Auction features an amazing array of 19 quilt related items. The proceeds from this auction benefit the Virginia Quilt Museum, the only museum dedicated to cultivating and preserving the quilting arts in Virginia. As a small non-profit, the Virginia Quilt Museum relies on the support of our generous donors to do our important work of telling the stories of quilters past and present.
