

Events and Meetings at Spielfeld Digital Hub

Where ideas come to play

SPIELFELD

About Us

Founded in 2016 by Roland Berger and Visa Inc. with the vision to redefine collaboration, Spielfeld has developed into one of the leading **B2B event locations in Berlin-Kreuzberg**. With over **450 events per year**, Spielfeld in the historic Postamt 36 is an established institution for forward-looking business events. International corporations, associations, and public institutions use our flexible spaces for conferences, strategic exchange, and measurable innovation.

- **3.000 m² event space**, spread across three floors
- Flexible room design, a variety of room sizes that can be individually combined
- Versatile usage for **corporate events, workshops, brand experiences, networking, productions...** and more!
- Unique architectural character with industrial charm
- **Central location in the heart of Berlin-Kreuzberg** with excellent transit connections

Arrival & Accessibility

We share our building with several other organizations, but we have multiple dedicated entrances to our space.

Our main entrance is located at the front of the building on Skalitzer Str., accessible via the large sliding glass doors and **four steps.**

Since step-free access is not available at the main door, we also have two dedicated, ramp-accessible entrances on the sides of the building that **require key access.**

Please give us a quick call in advance at **+49 30 610 812 0** so our team can meet you there and let you in.

An accessible restroom is available on the ground floor. Access to the restroom as well as our various event spaces is via keycard, which you can pick up from our team at reception anytime.
