

# THE Big S!NG

May 8 & 9 at Booth Playhouse

**Let the sunshine in!** The Big Sing brings together Carolina Voices' MainStage, Festival Singers, and Impromptu for an experience that celebrates sun, summer, and songs you know. Expect everything from choral standards to pop favorites, with moments where you're invited to join in. Yes, really. It's an easygoing, high-energy night where the audience is part of the sound.
