OTHER EXPENSES

General school supplies and uniforms (including athletic wear) are additional expenses to those listed above. Also, there are some expenses not completely covered by tuition such as occasional field trips, athletics participation, end-of-year trips, etc.

WITHDRAWAL FEE

Students withdrawn from the school after July 1st are subject to a withdrawal fee. The withdrawal fee, per child, is \$100.00 plus the remainder of the curriculum fees for the billing months left in the school year. This fee helps to cover the expenses of records transfer, adjusting class rosters, and curriculum which has already been purchased. If a student withdraws mid-month, tuition for that month will be prorated.

TUITION ASSISTANCE

Pullman Christian School seeks to help families desiring to provide Christian schooling for their children but who may find it financially challenging to do so. Tuition assistance is only applied toward tuition (excludes all other fees) and is awarded based on a family's ability to pay. We utilize an online application process, evaluated by an outside third party, and then the recommendation is brought to the Tuition Assistance Committee. There is an application fee that is due at the time of submitting the application online. Parents are notified of the amount of financial aid being awarded prior to the July 1st withdrawal deadline. This application must be completed by all continuing families desiring aid in the upcoming school year, regardless of whether or not aid was received the prior year. Visit our website, www.PullmanChristianSchool.org, or contact the school office at 509-332-3545 for more information.

POLICIES

Pullman Christian School depends on the tuition and fees of each student enrolling to meet its operation budget. Tuition payments are expected to be made promptly. All fees and tuition are non-refundable. Late fees will be assessed for invoices that are unpaid by their due date. Failure to meet financial obligations could be grounds for student dismissal.
