Guidelines on Uniform Components

School Events

- During school campus events, held outside of regular school hours, student attendees are typically not required to wear school uniforms. Whenever on campus, students are expected to be modest and a representative of Christ and PCS in their attire. We ask that no messaging be worn that detracts from a Christian environment. Clothes must not be tight-fitting. Additionally, necklines should be modest, tank tops must be wide-strapped with no undergarments showing, no pajamas, no midriff revealing shirts, skirts must be no shorter than 2 inches above the top of the knee in both the front and back, and shorts must have a minimum inseam of 5 inches with a straight cut (no upward tapering or angling) along the outer thigh.

Uniform Compliance

- PCS expects students to seek to honor the school dress code: cheerful, consistent compliance is expected.
- Complying with the dress code is required.

Uniform Violations

- Violation 1: The student is given an encouraging verbal reminder of the uniform piece that is out of compliance. This is logged as their first official notification for the semester.
- Violation 2: If a second violation occurs, we will reach out to you directly via phone or email so we can work together to resolve the recurring issue before a formal consequence is triggered.
- Violation 3: A third violation results in a mandatory lunch detention. Rather than a purely punitive punishment, this time will be used constructively for community campus service (such as lunchroom chores).
- Violation 4: If a student reaches a fourth violation within the same grading period, it represents a persistent challenge. At this stage, we will require a formal, in-person meeting between the parents, the student, and the principal to discuss how we can best support the student in meeting school expectations moving forward.
