

## ASCENSION of the LORD

JUNE 1, 2025

Jesus said, "you will receive power when the Holy Spirit comes upon you, and you will be my witnesses in Jerusalem, throughout Judea and Samaria, and to the ends of the earth." When he had said this, as they were looking on, he was lifted up, and a cloud took him from their sight. While they were looking intently at the sky as he was going, suddenly two men dressed in white garments stood beside them. They said, "Men of Galilee, why are you standing there looking at the sky? This Jesus who has been taken up from you into heaven will return in the same way as you have seen him going into heaven."

### THE ASCENSION OF THE LORD

Jesus ....will return in the same way as  
you have seen him going into heaven.

Jesus commissioned the Apostles to teach and Baptize all the nations of the world, then He returned to His Father in Heaven, having promised to send the Holy Spirit to remind them of all that He had taught them.

Next week, we will celebrate the great outpouring of the Holy Spirit on Pentecost. God is still with us, closer than ever before!

## **STUDENT ACHIEVEMENT & LIFE-LONG SUCCESS**

Many of our students complete two years of learning in one, thanks to our small school setting that offers personalized instruction. Standardized tests show they excel academically.

## **FAITH-BASED**

By combining academics with timeless wisdom, virtue, and strong relationships, studies show Catholic schools excel at motivating students. Since happiness is the top predictor of success, we help children thrive by fostering deep roots in God and in healthy connections with peers and adults

## **A HEALTHY BALANCE**

We focus on the true goal of education: not just career success, but lasting happiness—the key to a full life. To best prepare students, we balance work with play and childhood with future readiness. We value reasoning as much as content, prioritize performance over passive learning, writing over screens, and real-life experiences over textbooks. Alongside core subjects, our daily curriculum includes nature, art, poetry, languages, music, dance, and recitals.

## **FAMILY ENGAGEMENT**

We believe parents are the primary educators. While teachers guide learning, strong school-parent collaboration is encouraged and supported.

## **SUPERSTAR FACULTY**

With an outstanding 4:1 student-to-teacher ratio and a faculty with a median of 25 years' experience, our team is deeply committed to our mission.
