

The Season of Advent 2026

O Come, Emmanuel

Dear Parishioners,

It is the time of the year when prepare once again ourselves to welcome the Lord and receive Him more closely in our lives.

The Advent Season leads us to the fruits of the Christmas Season. And so, I invite everyone to prayer and reflection, to acts of charity and constant conversion.

The birth of the Lord is an assurance to us that the Lord is always with us and that He came into the world for our salvation.

The parish staff and the many volunteers in our community serve in various ways. We appreciate every gesture of love and mercy and every effort to promote unity and peace.

We pray for all, especially for the children and the youth, our students in the Religious Education program and their catechists. We pray for the parents that they may be genuine primary educators in faith and models of faith to their children.

We pray for all those who are going through challenges. The Christmas story tells us that the Holy Family went through tough moments too. And together they prevailed.

May Saints Joseph and Mary inspire us, and our Lord Jesus bless us in the most meaningful way this Christmas and the coming New Year! Amen.

Sincerely in Christ,

adeguzman
