DUST ABATEMENT PROGRAM PACKET - COST SHARE

Program Year: 2026

This packet includes:

- Program Overview & Instructions
- Program Rules & Legal Authority
- Dust Abatement Request Form (Fillable)

Applicants are responsible for costs of materials. The County will provide the labor, equipment, and administrative processing.

PROGRAM OVERVIEW & INSTRUCTIONS

Program Purpose

Benewah County offers dust-abatement application on county-maintained gravel roads adjacent to private property. This is a cost share program.

How the Program Works

1. Applicant submits the request form.
2. County prepares a materials cost estimate.
3. Applicant pays the full cost of the materials in advance.
4. County schedules and applies the product.

Important Notes

- No work will be scheduled until payment is received.
- County does not guarantee product performance.
- Application is weather-dependent.

PROGRAM RULES & LEGAL AUTHORITY

Cost Responsibility

The applicant must pay 100% of the dust-control materials.

The County will provide the labor and operator time, equipment use, administrative and processing fees and any additional costs necessary to complete the work.

Legal Authority

Authorized under Idaho Code:

- § 31-801
- § 40-604
- § 40-607
- § 40-1406

Liability

The County assumes no liability for product performance or road conditions.
