

# MARSHALL 8

## Biometric Tablet

Powerful. Portable. Packed with Features. The ARATEK Marshall 8 ushers in a new age in biometric identification and authentication. From fingerprint to facial recognition, barcode to contact and contactless card reading with tamper-protection, all the way to a large 8-inch display, ARATEK Marshall 8 integrates everything needed to get the job done. Extremely sturdy and portable, the IP65 rated ARATEK Marshall 8 enables users to securely manage enrollments in both indoor and outdoor environments and is suited for national ID, voter registration, SIM card activation, border control, law enforcement, financial services, mobile time attendance, and census campaigns. The ARATEK Marshall 8 has got everything covered.
