

MV64 Vertical Baby Changing Unit

PRODUCT INFO

The space saving wall mounted MV64 vertical, fold-down baby changing unit fits where wall space is limited. It allows stylish nappy changing facilities to be provided in even the smallest of washrooms.

The MV64 is designed with oversize barriers for enhanced primary safety. This eliminates the entanglement hazards associated with the use of straps.

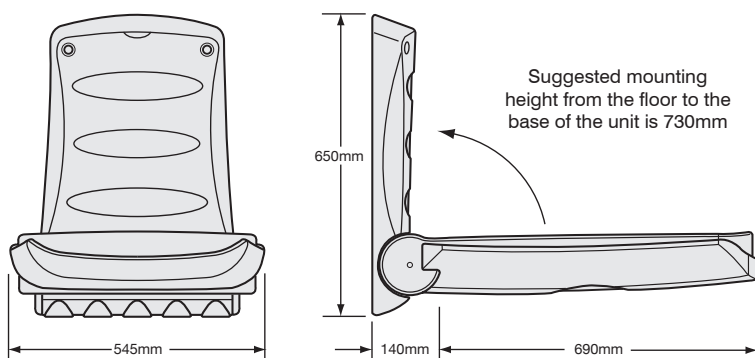

- Unique hinge construction eliminates finger traps
- Withstands static loads up to 100Kgs
- Hygienic, easy-clean surface
- Certified free from pesticides and antimicrobial additives
- Does not contain Microban or Triclosan
- Designed and manufactured in the UK

SPECIFICATION

- BS EN 12221:2008 + A1:2013
- Decree 91-1292 for use in the public domain
- EN71-3 Migration of certain elements
- The changing unit must be fixed to the wall for safe use of the product
- This unit does not require a changing pad and therefore, no pad is supplied
