Tips for grooms are separate

Recommended PEMF, Chiro, and other Athletic devices to be used during competition

Adequaan, Legend Performance Injections. Bute and Banamine Paste must be purchased prior to your first show of the season. As the Performance injections are done weeks prior to the show and sometimes at the show as well. Prior to showing a Performance and Health check is highly recommended. We will inform everyone in advance when the vet will be coming out. Products may be ordered by the vet. We will assist with coordinating any necessary needs to better your horses health and performance.

Any Chiropractic, Laser, Acupuncture, ect., Veterinary Expenses or Farrier must be paid by the owner before the show is over.

Includes grooming/care/clipping/bathing, Tails, board included	\$1100
---	--------

Mare and foaling Stall prep/ Accompany Vet

\$1500

During the show season Alberto and Kim will keep your stable blankets so they are ready for the next show in your owned Blanket bag. We will also keep in contact with each client on making sure you have what you need for each show such as correct bits, girths, pads.... Keep in mind some tack may vary throughout the season. Please be flexible on the changes as we are working horses and they have a mind of their own.

“Riding turns ‘I wish’ into ‘I can’.” --Pam Brown well known horse lover

Sincerely and best of luck,
Kim, Alberto, and our staff
