

Best Use of Information Technology

This category will be judged upon each applicant's (2000 word max) entry statement.

Please note that your document should be a **MINIMUM** of 1,000 words and **Maximum** 2,000 words. You may include attachments (visuals, photos, charts, etc) that you think would help your application.

You may additionally include attachments (visuals, photos, charts, etc) that you think would help your application.

Applications should be submitted by 2.00pm February 13th, 2026

Summary	In no more than 250 words, summarise why your organisation deserves to win this award.
Background & Research	Include details on the background and research involved in the technology and explain why there was a need for it.
Positive Effects of the Technology	Highlight the positive impact the technology has had on services, patients or the organisation. Explaining why it was successful.
Plans going forward	Show your plans going forward to further enhance the technology for growing demands and upcoming generations.
User Feedback	Analysis of user surveys/reviews/feedback forms.

Essential tips for a successful entry

A successful application must try to address all of the points above. Marks will be allocated only on the evidence provided.

Use the headings shown to highlight your answers to those specific questions. Include information on your exceptional successes during the year such as systems, innovations or techniques that have reaped significant benefits.

Concentrate on facts that can be substantiated. Attachments can be included, which are particularly important for the judges to be able to see your successes or innovations.

Please remember that **ONLY THE FIRST 2000** words of core information (and supporting material that you may have provided) of your submission will be assessed
