Organisation Background	Describe the organisation and where the team sits within it. Please also describe how the team partners with other functions within the organisation.
Teams Role	Highlight size and role of the team. What are the team's key achievements? How has your team demonstrated innovation? Supply evidence to support the achievements.
Challenges & Obstacles Faced	What specific challenges has your team faced? How has that affected your organisation? How was it managed?
Impact on Organisational Performance	Provide evidence of a link between the team's successes and improved operational performance within the organisation.
Feedback	Please provide feedback from others in the organisation who have worked with the team.

Essential tips for a successful entry

A successful application must try to address all of the points above. Marks will be allocated only on the evidence provided.

Use the headings shown to highlight your answers to those specific questions. Include information on your exceptional successes during the year such as systems, innovations or techniques that have reaped significant benefits.

Concentrate on facts that can be substantiated. Attachments can be included, which are particularly important for the judges to be able to see your successes or innovations. **Attachment size 10MB max per upload (3 uploads available).** **If you require more space, please email us at info@irishhealthcarecentreawards.com**

Please remember that **ONLY THE FIRST 2000** words of core information (and supporting material that you may have provided) of your submission will be assessed
