How does a community foundation work?

Unlike a private foundation — which often depends on the giving of a single family — a community foundation runs on the power of giving *together*.

Everyday people who care about northern New Mexico pool their generosity and work in partnership with our expert team to support projects and organizations that are making a difference. We take the time to understand what you care about and help you make informed, meaningful decisions about your philanthropy.

“

“ I’ve always believed in the power of people coming together around a shared love of place. That’s what makes community foundations so special. We listen to our communities, stay close to the nonprofits doing the work, and help our neighbors invest in the causes they care about with confidence. ”

A giving plan tailored to your unique interests and needs

You don't need a fortune when you have a foundation. We provide the opportunity for everyone to be a philanthropist. Whether you want to make a difference by sharing your time and expertise, giving today, or making a pledge for tomorrow, we'll help you achieve your goals. We offer a flexible range of giving tools designed to meet you wherever you are on your philanthropic journey.

SOME OF OUR GIVING OPTIONS INCLUDE...

Empty Stocking Fund

Contribute to one of our signature community funds that supports local families in need each holiday season. Gifts of all sizes are meaningful.

Field-of-interest funds

Join a community of peers by directing your giving to a cause area like education, the environment, the arts, health, and more.

Donor-advised funds

Support what matters to you, on your timeline — with our team's local expertise behind every decision.

“ We found it very comforting, easy, and logistics-free to give through the Foundation rather than donate individually to a myriad of charitable organizations. We were also appreciative of the opportunity to work with the Foundation to learn more about how to channel our giving in the most effective way, as well as specific opportunities related to Native American needs. ”

**SHERRY PARKER,
DONOR ADVISED FUNDHOLDER**

Legacy gifts

Create a giving plan that celebrates and amplifies your values beyond this lifetime.

Giving circles

Support funds shaped by community voices. Our identity-based giving circles entrust grantmaking to advisory committees whose lived experience and local leadership help ensure resources reach where they're needed most.

“ Including the Santa Fe Community Foundation in our estate plan was a relatively easy choice. Given the breadth and depth of the Foundation’s influence in northern New Mexico, we believe this organization has the potential to truly maximize the return on our legacy commitment. ”
