## FRIES INSPIRATION

Fries, crispy and golden, are more than just a side—they're a comfort food that brings people together. Whether thick or thin, they can be customized with cheese, bacon, or spices like truffle salt. Dipped in ketchup or aioli, each bite offers a satisfying crunch and burst of flavor. Fries are the perfect mix of simplicity and indulgence, elevating any meal or standing out on their own.

#### **FISH & CHIPS**

Fry or bake the fish and cook the fries until crispy. Serve them together on a plate or wrapped in newspaper, with lemon wedges on the side for extra flavor

#### **CHEESE FRIES**

Cook the fries until crispy, then melt your favorite cheese. Drizzle the melted cheese over the fries and top with optional extras like bacon or green onions. Serve immediately for a cheesy treat.

#### **CHICKEN FRIES**

Coat chicken strips in flour, egg, and breadcrumbs, then fry or bake. Serve with crispy fries and your favorite dipping sauces.

### HOME MADE SKIN ON FRIES

Skinny fries are tossed with olive oil, salt, and ground coriander, then baked until crispy. Garnish with fresh coriander for extra flavor.

### WAFFLE FRIES WITH SPICE

Spicy waffle fries are crispy, seasoned with chili, paprika, and cayenne, topped with lime or parsley. Perfect for a bold snack.

#### **CHILLI CHEESE FRIES**

Chill cheese fries are crispy fries topped with melted cheese and often loaded with extras like bacon or sour cream. They're a delicious, indulgent snack perfect for satisfying cravings.

### SAUSAGE CHUNKS WITH FRIES

Sausage chunks with fries are a tasty, hearty combo of savory sausage and crispy fries, perfect for a satisfying meal or snack.
