

SAVE THE DATE FOR FATBOY AT 3daysofdesign

Enjoy the Good Life by Fatboy invites you aboard a floating exhibition during 3daysofdesign. Set on a boat, we present a curated selection of indoor and outdoor furniture, lighting, and accessories that reflects our playful yet refined approach to everyday living. Iconic classics and contemporary Dutch designs meet playful summer shades and calm neutrals. The exhibition invites visitors to discover Fatboy's world, unwind, and enjoy a drink.

Discover a unique blend of art and personal style at our exhibition on all exhibition days from 12:00 to 16:00, where local artist Martyna Brechelke, a fashion and lifestyle illustrator, will be creating live custom artwork on Fatboy Carry-All bags. Martyna will photograph visitors and turn their portraits into hand-drawn illustrations directly on the tote bags, creating one-of-a-kind keepsakes. We warmly invite everyone to stop by, experience the creative process up close, and take part in this special artistic moment.

STORY OF FATBOY

The Dutch brand Fatboy redefines the boundaries of everyday design. What began with the iconic beanbag in 1998 has grown into a comprehensive collection of contemporary furniture, lighting, and accessories for both indoor and outdoor. With an internal design team and a network of like-minded designers, Fatboy creates collections defined by thoughtful details and refined craftsmanship, always balancing form and function. Fatboy inspires with another point of view to live the good life, offering playful and accessible designs. All products are made from durable, high-quality materials and are easy to repair, maintain, and renew. Built with modular components, every piece can evolve with you over time. Fatboy, design with a smile.
