# Helping Children Thrive in Times of Uncertainty

Tuesday, November 18, 2025 6:30 – 7:30pm

Avenues The World School, 259 10<sup>th</sup> Ave., Manhattan Free and open to the public, registration is required

Uncertainty is a given in life.

Whether it's national or global events affecting our sense of safety or daily stressors, we are repeatedly confronted with situations threatening children's wellbeing. Parents can mitigate the effect of rampant uncertainty by guiding children to feel grounded, manage adversity and develop resilience, and by knowing what they bring to being a parent. Parents are their children's buffer.

Raising Resilience is a lifeline for families contending with life's stresses and crises — from the most commonplace to the most devastating — peer or sibling conflicts, family tensions, divorce, loss, and academic challenges. Dr. Klein offers parents and caregivers specific resources that children develop in their relationship with parents, enabling them to face adversity, adjust, and thrive rather than falter or break down under pressure.

# **BULLETIN BOARD**

### PLACE YOUR AD HERE!

The PCDS Bulletin Board was established with the goal of helping PCDS families place ads for items that the school community might find useful. For example, if you are looking to sell or buy an item (e.g. baby stroller), looking to hire a new nanny or housekeeper or know of an outstanding nanny or housekeeper looking for a new job, please consider placing your ad in the PCDS Bulletin Board.

Email your classified ad to: <a href="mailto:pcds@parkchildrensdayschool.org">pcds@parkchildrensdayschool.org</a> by Sunday (midnight deadline) to get placement in the next week's Wednesday newsletter and mention your affiliation with the school (e.g. mother of Sally in class 302).

Ads are placed for 2 weeks ONLY.
