## The NYC Public School Kindergarten

### **The Kindergarten Waitlist Option is still OPEN!**

**If you missed the deadline, don't worry, you can still add your child to waitlists through the [MYSCHOOLS WEBSITE](#).**

If you're interested, please be sure to include your zoned school (if applicable), as this is where your child has the highest priority.

Please note: You can no longer add your child to Gifted & Talented kindergarten waitlists.

If you applied to kindergarten by the January 23 deadline, you're all set! There's nothing else you need to do—your child will receive a kindergarten offer in late March.

If you have any questions about public schools, please email Pamela.

## *Architecture inspired mini-camp*

### The Art of Construction

A fun-filled week of morning camp at Park Children's Day School with teacher, Christine Barber. Your child will explore the properties of architecture using fun manipulatives in the classroom. We will build structures using various architectural tools such as rulers, paper, blocks, Lego and paint. Books will help us study famous bridges and landmark buildings from around the world that will inspire children to create their own designs.

This is a great opportunity to engage in fun and creative activities that will focus on teamwork and simple math skills. The morning will include gym class too. It will be a blast!
