A heartfelt thank you to all our wonderful parent volunteers who helped sort the classroom cards.

And to our amazing teachers, thank you for always going the extra mile to make holidays meaningful and memorable for our students!

Architecture inspired mini-camp

The Art of Construction

A fun-filled week of morning camp at Park Children's Day School with teacher, Christine Barber. Your child will explore the properties of architecture using fun manipulatives in the classroom. We will build structures using various architectural tools such as rulers, paper, blocks, Lego and paint. Books will help us study famous bridges and landmark buildings from around the world that will inspire children to create their own designs.

This is a great opportunity to engage in fun and creative activities that will focus on teamwork and simple math skills. The morning will include gym class too. It will be a blast!
