BULLETIN BOARD

Architecture inspired mini-camp

The Art of Construction

A fun-filled week of morning camp at Park Children's Day School with teacher, Christine Barber. Your child will explore the properties of architecture using fun manipulatives in the classroom. We will build structures using various architectural tools such as rulers, paper, blocks, Lego and paint. Books will help us study famous bridges and landmark buildings from around the world that will inspire children to create their own designs.

This is a great opportunity to engage in fun and creative activities that will focus on teamwork and simple math skills. The morning will include gym class too. It will be a blast!

For more information, please email Christine at: cbarber13@gmail.com

March 23rd – 26th

9am to noon at PCDS

Contact Ms. Christine Barber at
cbarber13@gmail.com to register!
