Distributor:

The one who brings it first to the local market of the member state

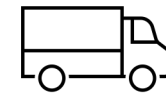

Importer:

The one who brings it first to the European market

CSRD

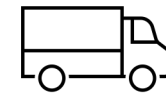

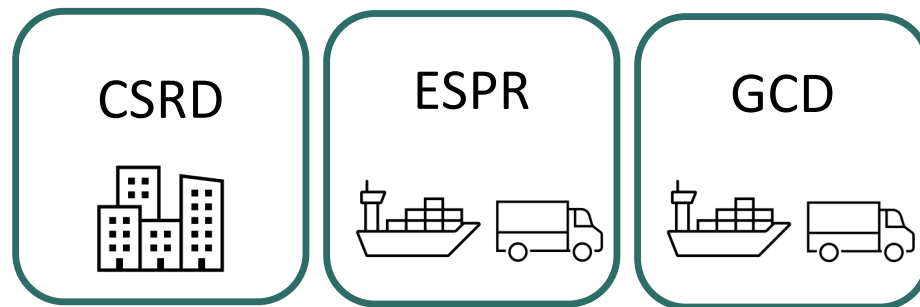

Corporate Sustainability Reporting Directive

- Thresholds meet 2 out of these 3 criteria
 - > € 50 million net turnover
 - > € 25 million in assets
 - > 250 employees
- Standardized reporting on ESG
- The Omnibus package:
 - Accepted "Stop the clock" proposal: delay of 2 years for reporting obligations
 - Under discussion: simplifying reporting

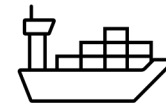

RESPONSIBILITY

Who is responsible

Distributor:

The one who brings it first to the local market of the member state

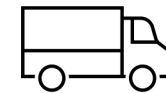

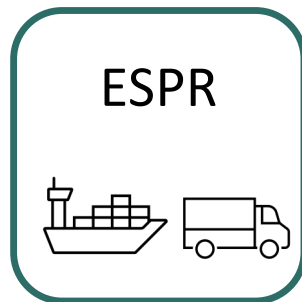

Importer:

The one who brings it first to the European market

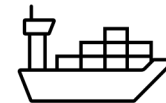

RESPONSIBILITY

Who is responsible

Distributor:

The one who brings it first to the local market of the member state

Importer:

The one who brings it first to the European market

ESPR

Distributor:

The one who brings it first to the local market of the member state

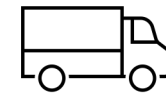

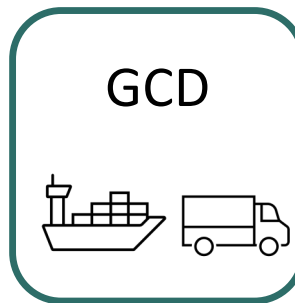

Importer:

The one who brings it first to the European market

GCD

Green Claims Directive

- Into force in 2026 (tier 1 in March 2024)
- Prevent greenwashing
- When claims are made, they need to be supported with third party verified documents
- Specific wording prohibited (eco, green, environmentally friendly etc)
- Impact calculation based on at least 6 factors, counting for at least 80% of the impact

RECAP

Outtake of this session

To anyone who is not an importer, you have to take care of

- ESPR: Digital Product Passport available for consumers
- GCD, make sure the information you communicate is in line (wording, supporting documents etc)
